## *Our Vision*

*Our school community creates and promotes an inspiring environment that supports our students and fosters life-long learning.*

- ✦ We hold high expectations for all and focus on academic excellence.*
- ✦ We use coherent, aligned, challenging curricula and assessment systems.*
- ✦ We use appropriate research based instructional strategies and integrate technology in meaningful, motivating ways.*
- ✦ We encourage all students to engage in extra curricular activities.*
- ✦ We provide academic and emotional support systems to further the success of all our students.*
- ✦ We make connections with students, parents, and the community.*
- ✦ We seek, hire, support, and retain quality people who have ownership of and are dedicated to our mission.*
