

**GST BOCES
REGIONAL SUMMER SCHOOL 2010
CAMPBELL CAMPUS**

Student Guidelines

Welcome to GST BOCES REGIONAL SUMMER SCHOOL 2010! ☺ Although it is not the regular school year, there are still several guidelines that we must adhere to during the summer months.

1. **ATTENDANCE IS MANDATORY!** Due to the attendance-based nature of summer school, we will not be scheduling around family vacations, summer camps for sports or any other schedule conflict. There will be no distinction between excused and unexcused absences. Three tardies will equal one absence. A student may be absent 3 days without loss of credit. When a student is absent the fourth day, BOCES will recommend that the student not be given credit for the class taken. The student may attend summer school and continue to review and learn even if loss of credit is recommended. Final decisions on granting of credit lie with the home school. There will be **NO MAKE-UP** work in academic classes.
2. **ACTIVE PARTICIPATION WILL BE EXPECTED.** It is necessary for all students to take an active role in class and complete all work. Failure to do so will result in a poor grade and/or removal from summer school.
3. **APPROPRIATE BEHAVIOR IS ESSENTIAL.** Any violation of school or classroom rules of conduct will result in the student being sent home for the day. A second violation will warrant the student's permanent removal from summer school. All behavior shall be in accordance with the Campbell-Savona Central School District Code of Conduct and Disciplinary Policy.
4. All students are asked to use the designated front entrance by the flag pole. This same route must be followed in case of fire or any other given emergency. Parking will be available in the student parking lot by the gymnasium.
5. Summer school runs from July 6 – August 16 with NYS Regents exams scheduled for August 17, 18 and August 19. Please plan accordingly!

Good luck and have a great summer!!

I have read these student guidelines and understand all requirements for summer session attendance at GST BOCES Regional Summer School in Campbell.
