Citizens
Striving to make a
Difference

-  **We believe** students are our highest priority and all decisions are centered around their needs.
-  **We believe** the school is a vital component of the community in which all stakeholders are actively involved, aware and engaged.
-  **We believe** in establishing trusting relationships where students develop social, emotional, physical and academic skills, enabling them to be self-directed owners of their future.
-  **We believe** in creating learning experiences that are rigorous and relevant to students beyond school, promote interdisciplinary study across various subject areas, and incorporate real-world resources and technologies, including community partnerships.
-  **We believe** in establishing a respectful, caring environment and empowering students and staff to take risks, persevere and grow as individuals.
-  **We believe** in providing leadership opportunities for students and staff by giving them voice and choice.
-  **We believe** that collaboration and life-long learning are a shared responsibility of all school community members and students.
