

Dear C-S Families,

Each year when we build our school calendar, we include 5 days to be used in case we need to cancel school due to weather or other emergencies. If we do not use all of those days, the District is required by our employment contracts to “give back” days not used for an emergency closing. To date during the 2018-19 school year, CSCSD has closed 3 times for weather emergencies and a facilities issue.

If we do not need to cancel school again for an emergency, CSCSD will not be in session on the following days:

- May 10
- May 24
