Superintendent’s note

Summertime greetings! I hope you are able to find a cool spot to look over this summer edition of our newsletter, which is filled with the many accomplishments of our students at the end of the school year.

I am also pleased to share that the C-S Jr./Sr. High School was named as a Bronze Medal School by US News and World Report for the third consecutive year. This honor ranks our school in the top 30 percent of all public high schools in the U.S.

C-S was recognized as a Bronze Medal School because we met or exceeded the following three criteria:

• Our students performed statistically better than expected for students in New York State.
• Our disadvantaged students outperformed other disadvantaged students in New York State.
• Our graduation rate was 80 percent or better – and our rate was significantly better. On the most recent New York State School Report Card, C-S achieved a 90 percent graduation rate.

This honor is as result of a shared vision in which our teachers strive to develop within their students the skills needed to be successful in school and in the wider world after graduation. It is also the result of the wonderful partnerships we have with our parents and the larger C-S community.

On behalf of the Board of Education and our staff, I want to thank our parents for working together with us to ensure their children put a high priority on school work so that each reaches his or her highest potential. I also want to thank the broader community for your continued support of the District, the most recent example being the approval of the 2018-19 District budget with a 71 percent super majority.

I hope you all find time to enjoy your summer. During the next several weeks, we will be busy preparing to build on our accomplishments during the 2018-19 school year, which will be here before we know it!

Students enjoy Senior Trip

Congratulations to the Class of 2018! The senior class culminated their four-year adventure here at Campbell-Savona High School with their senior trip in May. Along the way, they stopped to visit Arlington National Cemetery for the changing of the guard, the Mall in Washington, DC, Virginia Beach and King’s Dominion amusement park. This was a wonderful experience for the seniors, some who have never been to Washington, ridden a roller coaster or swam in the ocean. Everywhere we went people commented on how nice and well-behaved the group from Campbell-Savona was. Thanks for representing our community with style.

Members of the Class of 2018 visited the U.S. Capitol during their senior trip.

Annual Mini-Relay for Life held

The annual Elementary Mini-Relay for Life teaches our students the importance of philanthropy and supporting our community in order to be a successful citizen and make the world a better place. The event has raised almost $20,000 during the last several years, which has been donated directly to the American Cancer Society to support research to find a cure. This year our fun event was a “Kiss the Sheep” challenge; a huge hats-off to Mrs. Laura Wright, as she stepped up to the task.

Classes made banners to carry as they walked in the mini relay.

C-S Marching Band takes first

Congratulations to the C-S Panther Marching Band on their first place finish in the June 2018 Colonial Days Parade competition. Pictured at left is the C-S 2018 marching band.

Sixth graders present Wizard of Oz

This year’s sixth-grade musical was The Wizard of Oz. The students did an amazing job and helped us all remember that “There is no place like home!”
Sister Act earns many awards

The 20th annual Stars of Tomorrow Recognition Ceremony was held in May. The Campbell-Savona musical Sister Act The Musical received the night’s highest honor, the Sagan Award for Outstanding Musical. Stars of Tomorrow recognizes the high school musical in true Tony® Award fashion. The program is dedicated to supporting the process of growth and learning, encouraging commitment, discipline and teamwork and acknowledging excellence. At the ceremony, the cast performed “Raise Your Voice” from Sister Act The Musical in front of more than 2,000 people.

In addition to the Sagan Award for Outstanding Musical, Sister Act The Musical was honored with: Outstanding Acting Ensemble Outstanding Singing Ensemble Outstanding Dance Ensemble Outstanding Production Crew Outstanding Supporting Actress for Giavanna Reed

Students Carter Crooker and Noah Puffer were recognized as Future Stars and special recognition was awarded to Jacob Freeland (Stage Manager) and Lauren Crooker (Stage Left Manager) for their dedication behind the scenes.

Tip of the Hat recognition went to:
Kirk Rissinger - Sound
Keirsten Edwards - Lighting
Jacob Freeland - Stage Manager

This innovative program made its debut to the Greater Rochester area in 1999, with the main intent of bringing long overdue recognition to the high school musical and its performing arts students. High schools in a nine-county area with fall and spring productions are invited to participate in the program. Schools are divided into four divisions based on population and geographic area. Judges are assigned to specific divisions to score individual schools based on their dance, acting and singing ensemble, acting ensemble, supporting actor/actress, production crew, student orchestra, overall musical production and leading actor/actress. Awards of recognition are given to schools with the highest scores in each of the adjudicated categories, and students are given a chance to shine.

We are extremely proud of our theater program and Campbell-Savona. The commitment and dedication of everyone involved is phenomenal. Being recognized with so many accolades by RBTL was a great moment.

Class of 2030 honored

In the time-honored C-S tradition, 65 students were presented their diplomas signifying the completion of their kindergarten year. They worked hard, played hard and showed ROARS (Respect, Ownership, Positive Attitude, Responsibility and Safety) as they learned the foundations of early literacy, math, science and social studies. The ceremony ended with an amazing performance of the song “A Million Different Dreams” from The Greatest Showman with Mrs. Hayes and family along with Mrs. Harrian and Mr. Flanagan singing the verses and the whole kindergarten class singing the chorus. It was a beautiful day for the future!

Academic awards recognize achievements

Students in grades 7-12 were recognized for academic achievement during the annual Academic Awards Night in June.

Seventh- and eighth-graders who received honor roll status for the first three marking periods receive the Honors designation.

Students in grades 9-12 who make either honor roll or high honor roll status for the first three marking periods are recognized each year accordingly: first year winners receive a lamp of knowledge pin, second year winners receive a medallion, third year winners receive an engraved plaque and fourth year winners receive a silver bowl.

ESD program update

Our Extended School Day (ESD) Program in the Jr./Sr. High School ran Mondays, Tuesdays and Thursdays from 3:15-4:45 p.m. in the High School Library. We rounded out the year with student hours totaling more than 1,340 hours! We had 118 students attend ESD throughout this school year.

Throughout the year, students were able to participate in more than five enrichment opportunities, as well as have tutor support and internet access available three days a week. We look forward to continuing our ESD program after school in the same capacity next year.

C-S athletes shine

Scholar Athlete Team Awards went to our Varsity Baseball, Varsity Softball, Varsity Tennis, Varsity Boys’ Track and Varsity Girls Track teams. These awards are given when a team’s average GPA for 75 percent of the roster is greater than or equal to a 90. Congratulations to our student-athletes who juggle so many other extra-curriculars while studying for Regents exams and are still so successful in their desired sports. Congratulations!

Congratulations to the Varsity Girls Softball team on their sectional finals appearance. This was the Lady Panthers first appearance in 25 years. What an accomplishment for these student-athletes!

The Steuben County League recognized Hayley Karr and Kalyska Payne to the Second Team All-County Team. The league also recognized Taylor Scott, Corinne Morris and Jordan Cole to the First Team All-County Team. Jordan Cole was also named MVP of Division 1 SCL Softball. Congratulations!

Leeann Cordes placed first at the Steuben County League meet in the Pentathlon, qualifying for sectionals and the All-County First Team for Girls Track. Congratulations, Leeann!
